Remarks

Casarina is poised elegantly on 7 acres of plush, tropical grounds and is located directly on world-renowned Crescent Beach. You will melt away on it's powder white sand and float away in the shimmering waters of the Gulf of Mexico. This residence has been beautifully renovated to provide the ultimate beach home for you to call your own. Come and see for yourself the many features that truly make this everything you could desire, whether it's for part-time or full-time residency. Residents relish the expansive, heated pool/spa with cabana and outdoor kitchen, two grilling areas, a sunset beachside deck and lighted tennis/pickle ball courts. You will appreciate the on-site management office, fitness room and large community center for parties, gatherings and meetings. This is beachside living at it's finest.
